Own Your Category in the CAS Conversation

Position your solution alongside the decisions accounting firm leaders are making about how they build, deliver and scale Client Advisory Services.

PROGRAM

From Scorekeeper to Strategist

A practical CAS implementation workshop series

Four live, interactive workshops | November 5–December 3, 2026

This is not a general-awareness webinar audience. Participants are firm owners, partners and CAS leaders actively making decisions about their services, clients, teams, technology, workflows and operating models.

50 firms

Campaign recruitment target

Up to 75

Firm owners, partners & CAS leaders

300,000+

CPA Trendlines subscriber network

CPA Trendlines reaches an accounting-industry audience in which 70% are founders, CEOs, owners or partners.

Workshop participation figures are campaign targets, not guarantees. CPA Trendlines figures describe the scale and profile of the wider network, not guaranteed delivery to every subscriber.

Become One of Six Category Partners

As a Category Partner, your organisation receives:

- Exclusivity within one agreed product or service category
- Visibility throughout the recruitment campaign and four workshops
- Educational integration aligned with relevant participant decisions
- A hosted sponsor resource with explicit opt-in lead capture
- On-demand recognition, engagement insights and campaign reporting

Category Partner sponsorship

Six partners. Six categories. No competing voices.

Once a category is secured, no direct competitor will be accepted within that agreed category. Category allocation is subject to approval by Beyond Numbers and CPA Trendlines.

Optional podcast and CPA Trendlines Streaming Network extensions are available exclusively to Category Partners.

Is your category still available?

Request the complete sponsorship prospectus and discuss how your solution could fit the program.
